Mp3 Timothy Martin - Visual Music

DOWNLOAD HERE

A mystical journey of intsrumental songs featuring piano and guitar. Soundtrack for upcoming DVD about Rocky Mountains and Yellowstone National Park. Progressive/New Age style Other Cd's "Mortal Dreams" cdbaby.com/tolleymartin 15 MP3 Songs ELECTRONIC: Soundscapes, NEW AGE: New Age Details: This instrumental journey "Visual Music" is an improvisational one inspired by the great beauty of the Americas. Written specifically for the Yellowstone National Park DVD to be released by Great moodscoming soon. This sensitive approach to composition, alternating guitar and piano solos, challenges the listener to let the music take you away onto the cosmic plain. Timothy Martin takes it to the limit, pressing the boundries of traditional composition and takes us to a place only improv players know. enjoy this one!!! Watch for more cd's from Timothy Martin.
