Details: KRYSTA'L formally known as "Krystani" was born and raised in Money Making Manhattan, NYC. Music was always a part of her life and had a fundamental role in shaping the creative person she is today. For her she says I have always viewed music as a important part of life from tunes that blast from the ipod headphones to composers, lyrists and vocalist who stay up and break night, to create something amazing, something inspirational, something that fuels others to act and act now, in a positive way!" KRYSTAL is clearly filled with the passion for music and performing. She writes, sings, dances, acts, this young sweet diva can simply do it all! She is a quadruple threat to the new generation of music. She also reintroduces the musical intensity of classy, vibrant, soulful, fun music with a new sound of R&B, produced by the legendary Dr. Tony Garcia also known as Dr. Edit. She has natural cool vibes and clever lyrics with an awesome voice and personality. She will amaze you with her inability to be limited to just one concept or one genre of music, she has no boundaries. KRYSTAL is the future of tomorrows music; prepare to be amazed as she makes history! For more information, Please contact her Management 24/7 Entertainment @ 917-668-5191 or 917-806-1170
