

Mp3 Will West - Reconstruction

[DOWNLOAD HERE](#)

A collection of intimate live studio recordings. Non-traditional songwriting, ranging from trance-like percussive acoustic guitar work with harmonica to delicate fingerstyle play and smooth vocals. Definitely fresh and a little different... 12 MP3 Songs FOLK: Modern Folk, FOLK: Power-folk Details: "The introspective, folk singer uses a vodka voice to infuse his music with an intimate familiarity. His poetic, crossroads commentary is ideally suited to the acoustic guitar..." - Jade Walker - Siren Song Magazine "Will West succeeds on this album to absorb a listener into moody and soulfully created compositions." - Henk te Veldhuis Bridge Guitar Reviews Reconstruction -- This is re-evaluation, this is redefining, this is introspection, this is love and a little sorrow. This is life that is growing and changing. These are times to live and let live. These are times to see beautiful sunsets. These are times to smile into the rain, singing, dancing, forgetting any shame. Here we are, here we are, glad I am, glad I am... walking into this cool blue sunset... North Carolina bred performer Will West currently resides and performs in the Pacific Northwest... Updates and information are always available at willwestmusic.com Will encourages listener and inspirational input from everyone... If you've got ideas, poetry, or simply enjoy sharing your feelings feel free to send an email. It is a time for sharing... when everything can seem so self-centered... we can change everyday
