So You Think You Know Affiliate Marketing? The Ins and Outs of Successful Affiliate Marketing Revealed ! Exclusive Offer! Never Before Revealed Information! Dear Friend, The other day I was chatting with a friend of mine. Well, he has been involved with Affiliate Marketing for almost ten years now. I have been marketing for a living for just over five years now. My friend told me something that shocked and scared me beyond belief! It turns out he has indeed been involved with Internet/Affiliate Marketing for almost a decade. It also turns out he has made a few hundred dollars if that in this entire time. I on the other hand earn an above average living with Affiliate Marketing and I've been doing it half as long. He is by no means stupid, lazy, or even ignorant (you'll see why this is an character trait not to have). The only difference between he and I is a plan or guide on affiliate marketing. He knows everything about affiliate marketing yet he still can't seem to make it happened. What's so different about us? I Just Told You, He Has No Plan!
