

Neural Engineering

[DOWNLOAD HERE](#)

Preface.- Sensory Neural Prosthesis.- Interfacing Neural Tissue with Microsystems.- Brain-Computer Interface.- Neurorobotics.- Electrical Stimulation of the Neuromuscular System.- Neural Signal Processing.- Electrophysiological Neuroimaging.- Mechanisms of Cortical Computation.- Mechanisms of Cortical Computation.- Computational Neural Networks.- Circuit Models for Neural Information Processing.- Neural System Identification.- Seizure Prediction in Epilepsy.- Retinal Bioengineering Index.
EAN/ISBN : 9780306486104 Publisher(s): Springer Netherlands, Springer US Format: ePub/PDF
Author(s): He, Bin
