Country singer Daniel can't understand why anyone would want him dead, or why anyone would think he's important enough to kidnap. So it comes as a complete surprise when attempts are made on his life and he's appointed Rafe, a G-man guardian angel. Rafe is determined to protect Daniel, even from himself, but it's not an easy job. Rafe finally takes Daniel off to the middle of nowhere, which gives them time to pursue other things, like each other. Too much R&R might just make them sloppy, though, and sloppy could get them killed. Can they survive fighting for their lives, and falling in love?
