East Coast rap. 14 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: East Coast Details: How did 3 up get started? It actually didn't start out as 3 up. They went through so many damn names before we actually stuck with one. The members all grew up in the same neighborhood (Pioneer City) some longer than others but for the most part we grew up together. As years went on and they got older they found a common ground in rapping so they came up with a rap group that was in the year 2000 so they have been doin this thang for many years now. What does 3 up mean? We were originally the warriorz and the warrior sign was to have 3 fingers up so then we just decided to make it 3up for short. But 3up is not just a group its more than just rap because at the end of the day we are a family. So to some 3up basically means family. Where does 3 up come from? Well we are all from different backgrounds and have different stories. We are actually scattered around a lil bit but we all come from the same place and thats Pioneer City yall gonna here bout it if u aint heard bout it, better believe that. Who is a part of 3up? 3up is Twinz a.k.a. Twizzy, Soja Black a.k.a. Young Savage, Millimeter a.k.a. Lil Ghandi, Only Son, A.K., Stixx, B Dot, Mark-Us, 1st Child, Pacino The King a.k.a. PTK, Big Mike, Blakk, and P.P.E.
