

Mp3 Allan Lieberman - Dip It In The Honey

[DOWNLOAD HERE](#)

An upbeat blend of 60's rock and folk music with a little Latin flavor thrown in. 12 MP3 Songs WORLD: Judaica, KIDS/FAMILY: Kid Friendly Details: Allan Lieberman has been making children and families around the country laugh and feel good about being Jewish with his upbeat, spunky style since 1996. His songs are just plain fun to listen to and many are educational as well. Allan's 1st recording of parodies, Thank G-d I'm A Jewish Boy, continues to receive national airplay and put him on the Jewish music scene. It's The Miracle, his initial recording of original songs, received the prestigious Parent's Choice Gold Award. Dip It In The Honey (subtitle: Songs For All The Jewish Holidays) is his 7th recording and features a collection of the best songs he has written over the years for the major holidays. While his songs have a predominantly 60's rock and folk music influence, there's also ballads, a calypso song and even a tango which makes Dip It In The Honey an eclectic array of entertaining Jewish music.
