Led by the powerful vocals of Becca Kaid, this Illinois-based band seamlessly blend pop, country, and rock on their irresistible debut album. From the undeniably catchy "Where Have You Been" to the pure country rock of "Love Is", you'll see why Becca Kaid 12 MP3 Songs COUNTRY: Country Pop, ROCK: Americana Details: "When I was little we lived on a farm, so I had to entertain myself quite a bit. For hours on end I would pretend I was a famous singer! I would pretend this big hay wagon was my stage, and I would first introduce myself, then walk back off and come on singing. LOL I guess I just never outgrew it. Every song on this album came from something that affected me in some way or another, so it's a little frightening to have it all "out there" for everyone to view. Thank you for supporting me in my music, and I hope you enjoy it!!!"
