

Mp3 Deaf Children At Play - Incubator

[DOWNLOAD HERE](#)

The birth of DCAP's melodic hard rock, Radio and A&R darlings. 12 MP3 Songs ROCK: Modern Rock, ROCK: Hard Rock Details: Incubator was the birth of DCAP aka "Deaf Children at Play" Incubator the first full length critically acclaimed album earned DCAP recognition to be asked to play as support for the likes of OZZY, Green Day, Filter, Prong and Ramones. The rave reviews DCAP received earned them the #22 spot ahead of "Piggy/Nine Inch Nails" and behind "Girl on LSD/Tom Petty" for the song "Empty Promises" in 1996 on major radio stations in the 12 hour daily rotation spot. Incubator was an album before its time with a couple tracks that were re-mastered for the new DCAP album, it is a must to include in your new DCAP collection, and be sure to keep an eye on the soon coming new DCAP merchandise at deafchildrenatplayand at all the shows specially made for the greatest fans in the world....YOU!
