

Mp3 High Priestess - Oaksong

[DOWNLOAD HERE](#)

High Priestess shall sing and her fairy-rock harp will seduce you in a smokey New Orleans jazz bar, stalk your virtue through the quirky streets of Paris, and finally release your soul from corporeal bondage in blissful self-sacrifice to the Feminine Divi 11 MP3 Songs NEW AGE: Celtic New Age, WORLD: World Fusion Details: High Priestess channels dynamic and passionate music incorporating traditional celtic and magickal music with rock, cabaret and jazz. The music ranges from soothing to evangelical. The idea is that everyone deserves to feel advanced bliss. She helps people experience the union with God/Goddess through music and dance... High Priestess expresses her awe and ecstasy through her singing. From the whiskey drenched femme fatale ballad to a sweet, ethereal rendition of Scarlatti, her range and innocence impresses. She also enchants the audience with her celtic harp. Tom Fowler plays upright bass on "OakSong", giving us a tasty foundation to lay our magic down on. He has played with such greats as Frank Zappa and Ray Charles. Mike Miller has played his electric guitar with such luminaries as Bette Midler and the Fowler Brothers... Working across some very diverse genres, Mike brings a tasty groove to any song he plays on. Balance is a multi-talented multi-instrumentalist who hails to us from times long gone. His sensitive and poetic piano playing are only grudgingly given up when we can't live without his unbelievable drumming or guitar playing. This practitioner of Bliss is no stranger to the fantastic... check out his other work at appliedfx.com James Smith can be seen darting and dancing as he coaxes the most delicious licks from his vibraphone. The ethereal quality of the bell-like tones of the vibes take us all to a higher plane. James is also a writer, and a true sensualist.
