

Mp3 Hmmm... - I Only Want Love

[DOWNLOAD HERE](#)

Rock, electronic, psychedelic, improv, experimental, avant, sound effects, noise and social commentary combined into a tasty stew. 13 MP3 Songs ELECTRONIC: Experimental, AVANT GARDE: Noise Details: Hmmm..., the sound-making duo Mark Briggs and Herb Heinz, invents audio experiences which employ radically clashing styles to instruct, confuse and sometimes offend listeners. Hmmm...'s studio recordings lovingly grind popular genres, sound effects, improvised noise, and social commentary into a fresh aural sausage. Hmmm...Live, the duo's alter ego, slices and dices electronics, folkbluesrockjazz, political rants, and chaos into a smorgasbord of thought-provoking dishes.
