Songs Details: Invisible Man is an eclectic alternative band based in Montreal, Quebec, Canada. Originally a solo act Chaz Coats-Butcher who has worked with The Forgotten Rebels, The Outpatience (with West Arkeen of Guns n Roses fame) as well as members of KISS and Grand Funk Railroad, decided it was time for a new direction when he began writing songs for this project back in 2001. Chaz was introduced to drummer / producer Dan Legault in 2005. The two pooled there collective talents and resources to produce the bands debut CD 'Music For Lost Souls and Misfits'. After finishing the recording the next logical step was to assemble a group of players that could reproduce it live. So with the addition of some local talent as well as imports from Ottawa and as far away as Toronto -- Invisible Man was born.
