humorous and inspirational songs with an upbeat message and style 13 MP3 Songs COUNTRY: Country Folk, COUNTRY: Country Rock Details: Early songs in the career of Joel Goldstein, "singingdentist . com", based on his work with "est" as well as his transition from N.Y.C. to the country in Gainesville, Florida, where he recorded most of these songs. With producer Ray Valla Dr. Joel gathers around him some fine country musicians and presents the lighter side of life and relationships and a philosophy of living into a future of unlimited possibility. The tongue-in-cheek, Do Unto Others, Dr. Joel displays his ability to be both profound and profane.
