It holds 10 new tracks of intense and uncompromising metal that pushes your appreciation for the genre, slaps you in the face, and kicks you in the ass! Juda's Wake is a modern Seattle-based metal power trio. They pull together a penetrating mix of intricate guitar, heavy rhythmic hooks, and edged vocal melodies resulting in a convincing, hard hitting, and articulate noise. Juda's Wake draws influence from such bands as Tool, Disturbed, Marilyn Manson, Rush, and Static X, but has brewed a new take on the aggressive sound. Formed in early 2003 from members with diverse music backgrounds - speed/thrash metal, progressive rock/electronica, and fusion - Juda's Wake has been writing and performing songs that embody each member's common passion - METAL. Their sound is not based on a predetermined formula but built in the zone of intense groove with each musician blending and interacting in synchronism. Juda's Wake is currently supporting their potent debut release, THERE IS ONLY TECHNOLOGY, with energetic, tight-as-hell live performances that seize audience attention in hard rock/metal venues throughout the West Coast.
