Alternative dark storytelling, humorous, strange and spine-tingling. Think P.J. Harvey, Kate Bush, Jacques Brel, Kirsty MacColl, Cocteau Twins and you're part of the way there . 9 MP3 Songs in this album (38:59) ! Related styles: FOLK: Alternative Folk, FOLK: Anti-Folk People who are interested in Kirsty MacColl Kate Bush PJ Harvey should consider this download. Details: Wandering around the back streets of London writing dark and mysterious ditties. Then escaping to the country to reflect on geese and ghosts. Jude's macabre and beautiful music and poetry has been compared to Marianne Faithful, P.J. Harvey, Nick Cave, Siouxsie and the Banshees, Cocteau Twins, Lee Hazlewood and Kate Bush. An eccentric English chanteuse, she draws on the decadent imagery of art history to fuel her peculiar craft. Wielding a satirical knife she slices open the flagging body of blues and folk traditions to tickle and amuse its still beating heart.
