

## Mp3 Ken Peel - Marginal

[DOWNLOAD HERE](#)

An instrumental, leftfield, downtempo exploration of blurred boundaries between minimalism, experimentation, jazz, art-house movies, trip-hop and memory. 10 MP3 Songs ELECTRONIC: Down Tempo, ELECTRONIC: Ambient Details: Visually charged and atmospheric, Marginal blurs the boundaries between ambient electronica and jazz, evoking the rich narrative style of art-house cinema. Made on a computer using software instruments and digital effects with some live piano and electric bass. There is more information about Marginal at [kenpeel.com/marginal](http://kenpeel.com/marginal), including: - an introduction to each track by Ken Peel - a recording and transcript of Ken Peel and Ben Eshmade (Classic FM, London) discussing Marginal - the main chords and tunes of each track and information on the hardware and software used Marginal was made by Ken Peel at home in Bristol, England.
