Details: SHAMANS OF SOUND is Land of the Blind's 6th CD featuring the beautiful Irish-Pagan songs of singer songwriter Cyoakha Grace O'Manion, as well as fun up Shamanic Dance grooves with the healing powers of Deep Earth Didjeridu by Krystov, "Didjeri-doc". Rhan Wilson of Thoth adds some funky fun on fat bass and tribal hand drums. It's a psychedelic BLISS TRIP from San Francisco, out to the hot sands of Burning Man, into Mother's deepest caves in Australia, into the winged Faerie Realms, the powerful animal world and even a bit of dark Underworld. But you will come out on the other side, in the light and with a smile and a hole in your trance dancing shoes. This is Shamanic Trance Dance at it's most World and Organic. Didjeri-doc rumbles The Mother underneath the dreamy World beats, Rhan's fat bass drives the Dance, Cyoakha's award winning voice rides the top of the Trance wave of this magical music. Exotic Ethnic instruments from around the world swirl in and out, Native Flutes, Indian Harmonium, African drums, Indian Dilruba, bongos, congas and more! From Celt-flavored laments to political Funk, Cyoakha's poetic lyrics keep it Green, yet full of spiritual longings. Looped layers build and sway into Ecstatic Trances, a Shamanic journey of the senses, you just move and groove to the Dreamtime that lies within you, waiting for this time.
