Folk rock with a hint of Celtic and a touch of blues. 6 MP3 Songs FOLK: Modern Folk, ROCK: Folk Rock
Details: MelissaCoxMusic.com Melissa infuses the sounds of folk, Celtic and rock with her own distinctive lyrical, vocal and guitar styles. A soprano, Melissa crafts light, yet poignant, vocal melodies over intense, meticulously-picked guitar compositions. Her cryptic and poetic lyrics focus on several topics, including relationships, personal experiences, dreams, politics, women's and human rights, love, lust, sexuality, break-ups, breakdowns, and spirituality. She has received acclaim from numerous DJs, music critics, online publications, and established local musicians. For two years, Melissa has performed with her friend Nikki Gallagher, a classically trained singer and flutist. The duet has also formed a band composed of Matt Smith (bass) and Curt Gibson (drums).
