Alternative electro-rock to warp your mind. 8 MP3 Songs ELECTRONIC: Synthpop, ROCK: Industrial Rock Details: Ryan Barr's self-produced, performed, and perfected debut album is beautifully constructed for unhinged and artistic minds alike. A hyper-energy synthesized pop mixed with gritty dirt rock and spiked with an 80's twist, will send you blissfully winding through the mind of this seasoned artist. Hailing from Los Angeles, Ryan Barr has been a driving force behind such indie bands as Mad Gadget (which he had experienced a #2 most requested song titled- Stripped Down on Anti-Radio), The Vox Popullii, who was able to play a small circuit tour to a well received crowd in 2006 including stops in Mexico's Hard Rock Cafe, Arizona's Verde Festival, and two shows at the Los Angeles County Fair (2006-07). Ryan Barr is now currently gearing up a live show to support his album. He plans to use friends from his past and present to create a live experience that can only be expect from Ryan Barr. People who are interested in Depeche Mode Nine Inch Nails IAMX should consider this download.
