

Mp3 Shadiya - Satisfied

[DOWNLOAD HERE](#)

sultry soul rhythm and blues 11 MP3 Songs URBAN/R&B: Soul, URBAN/R&B: Rhythm Blues Details: Satisfied says it all. Add a little flair to the pot and you have the album that's been cooking for over a year. After taking a long sabbatical, Shadiya returns to the music world with more songs of love to satisfy your palette. Serving up sultriness once again, The Sultry Soul Singer invites you to "sit back, relax and enjoy!" New News: For all of the myspace users, you can find Shadiya's music on SNOCAP, the myspace digital store. Not afraid to experiment and not shackled by what is considered mainstream, Artist/Producer/Writer/Arranger/Singer/Executive, SHADIYA, brings to the stage sultry, smooth jazz sounds and collectively represents every music style imaginable. This artist pours from her souls passions that will change your life or at least, at times, send shills up your spine. On XM radio, send in your requests on Channel 52- Unsigned to hear Shadiya music. Big thanks goes out to all of our friends overseas. Overseas radio programming Solar Radio has been great with playing Shadiya's music and Starpoint Radio with Dave W. Closer to home is WNTI in New Jersey. Listen and request on the Crow's Nest at wnti.org.
