SEARCH:BEHIND ENEMY LINES OR SNIPES, THEN BUY MUSIC!!! THANKS FOR THE LOVE SUPPORT!!! SNIPES was born in the dangerous concrete jungle of Colima, Mexico. At the age of 7 he and his family made a permanent move to OJAI, CALIFORNIA where he would later perfect his craft as a part time thief and full time gangster. In 1993 he and his homeboys founded a local neighborhood gang by the now infamous initials of OSL! Almost overnight, the gang took full control of the city by exterminating any potential competition and laying down the foundation for "Neighborhood Protection". He began writing his street poetry in the 7th grade and quickly evolved his tricks of the trade into the 1st political Chicano Gangster Rapper in the Universe. Now he is positioned to take his message to the masses and bring back the Golden Era of his once mighty ancestors, the Aztecs! Do your part and join the Revolution to take back what's rightfully yours!--Revelations 7:50
