

## Mp3 Steve Lanzilotta - A Nod To Interludes

[DOWNLOAD HERE](#)

Arriving at the crossroads between rock, pop, swing, and soul, this impressive debut features an undeniable voice singing stories drenched in beautiful, haunting melodies and stimulating lyrics. 11 MP3 Songs ROCK: Classic Rock, POP: Beatles-pop Details: Steve Lanzilotta is not famous. Nor is he popular. He does not have a choreographer or a publicist. He does not have his own clothing line or fragrance. He does not pretend to know more about global politics than you do. Steve Lanzilotta creates music... Steve Lanzilotta is real. Steve Lanzilotta creates real music. You relate to Steve because you are real. Steve Lanzilotta creates your music. You can hear your music when you listen to Steve's debut CD "a nod to interludes." Recorded over the last year, Steve's first album includes the hauntingly beautiful "Guinevere Street", the upbeat, catchy "Cadillac Bar", and the dark, introspective "Wasting Time". Open your world to music you were meant to hear. Don't be afraid if it becomes part of your life. It was meant to...
