Colorado Bar Music, where I've played the last 30 years; come on in and have a beer. 11 MP3 Songs  
ROCK: 70's Rock, COUNTRY: Country Rock Details: Steven Ferguson All songs written or co-written by  
Steven Ferguson Playing mainly in Colorado and Hawaii, most of these songs were written in the mid to  
later 70's in Hawaii on a four track reel-to-reel recorder, but came to life in 1987 when Steven went into  
the studio then entered 2 songs in the Colorado Songwriter's Festival. "Colorado Canyon Song" placed  
#4 and "Whiskey" placed #8. The next year, 1988, Steven entered "Morning Glory" and placed #3. Three  
in the top 10 out of 100's of songs entered was not a bad start to test Steven's original material. "Morning  
Glory" was also played in the late 80's on Boulder's KBCO's radio show, which featured three local  
songwriters each week. "She Was A Dancer" placed in the semi finals at number 88. Steven has spent  
his time musically playing mainly in Colorado, both full-time and part-time. When stationed in Hawaii in  
the 70's, Steven played on weekends at the Army Rec Club on Pokai Bay. Living in Hawaii almost 4  
years, he entered his song "Hawaiian Girl" in a songwriting contest there, which made it to the finals in  
the Hawaiian Homegrown Contest. "MountainBoogie" and "Southwind" are the more recent songs, written  
in 1999. "Hot Rod Steven and Dr. Watson" CD is now up and running with CD Baby and "Tower  
Records.com", which is the last full band Steven was a part of, this CD also has all original material on it.  
Steven is still actively writing and playing. "Dancin' Upon The Clouds" CD is now for sale at CD Baby!  
Check it out! A third CD with all original songs most written within the last year. All Three are on sale at
