A bold menagerie of pop, blues, folk spirituals, as though Hendrix, Gillian Welch, the Stones Bonnie Raitt are all doin' the tango together. 12 MP3 Songs POP: New Wave, BLUES: Folk-Blues Details: Since the age of 2, I have been heavily influenced by music. I live and breathe it. It is my sole reason for being. I began creating original music at the age of 13 on the piano, but switched to the use of the guitar as the primary mode of songwriting in college. Since then, I have produced 6 albums of original material, have toured throughout the U.S. and Europe performing and promoting this material, and have had the honor of meeting several of my own musical heroes. Although a native of Philadelphia, I made Atlanta my home in 1999 and have been here ever since. Check out my website [suewittyfor](#) a deeper bio, broader gig dates locations, and resonating song clips of works that are nearly retired. Peace to you.
