

Mp3 Tarnia - Legacy

[DOWNLOAD HERE](#)

Soft rock /pop and ballads 10 MP3 Songs EASY LISTENING: Soft Rock, POP: 80's Pop Details: Her Romany Nan Janie was a singer when she was not looking after her family she sang even before Tarnia was born. She died of cancer when Tarnia was 11 and Tarnia always swore that she would carry on what she was never able to accomplish Tarnia is an artist who continues to challenge all the rules in an ever-changing industry a good businesswoman from a Romany working class background taught by her Dad at a young age to buy and sell almost anything! She often describes herself as a cross between Sir Richard Branson and Del Boy! A supporter, member and also one of the youngest people in the country on The Musicians Union Regional Committee Tarnia is constantly at the front line advising and fighting for artists. Embracing new technology and using her networking skills Tarnia has travelled to several countries to bring her music to the world With soft vocals, haunting lyrics Tarnia's music touches hearts while her independence and determination inspires everyone who meets her
