Mp3 The Derry Aires - Built For Comfort

DOWNLOAD HERE

Whether its a pure a capella vocalization or a song with instrumental accompaniment, The Derry Aires deliver passionate harmonies that resonate in the heart. 14 MP3 Songs FOLK: Modern Folk, WORLD: Celtic Details: The Derry Aires, a perennial favorite for discriminating fans of vocal music, return with another recording - a treasure chest of delicious booty to lift your spirits and place you securely in the lap of luxury. Built for Comfort is more than a title; its an aural promise of pleasures to come. The Derry Aires are Back! With new songs, new arrangements, and a few new faces. Built for Comfort is an eclectic mix of songs from Celtic to Americana, all delivered with emotional power. Superb performances abound, from Peggy Monaghans smoking rendition of the CDs title track to Lili McGoverns soulful and heartfelt take on Orphan Girl. On At the Foot of Knocknarae Vicky Reardon knocks one out of the park, while Liz Fullerton nails it with earthy magic in Witchs Reel. And Kirsten Baird Gustafson gives another signature performance in Jon of Dreams. Whether its a pure a capella vocalization or a song with instrumental accompaniment, The Derry Aires deliver spot-on performances filled with the passion and truth that resonates in the heart.
