Stone cold country. Traditional yet original. A Southern voice that is real without trying to sound like anyone else. 11 MP3 Songs COUNTRY: Traditional Country, COUNTRY: Modern Country Details: Singer-songwriter Thomas Oliver is a son of the South whose songs come from the rich tradition of country music, with straight ahead melodies and lyrics. Not gimmicks. His songs are as authentic as his voice. No imitations here. Three of the songs on his debut CD were recognized by the Georgia Music Industry Association's "Best of Country" -- "Holding On," "You Can Tell Me Anything" and "A Bigger Fool than M e." If you honkytonk, check out "A Girl Like You" and "A Little More Reminding." If you like love songs, you'll like "Holding On," "You Can Tell Me Anything," "Living in Love" and "What'll It Take." If you are moved by the sentimental, listen to "Just Say I Love You" or "Hearts Along a One-Track Mind." And if you've ever lost in love, check out "Finally Over Losing My Mind" and "A Bigger Fool than Me." This one is for real.
