

Paul And James's Naturist Adventure - Nigel Keer

Paul Jessop and James Handle are two fourteen-year-olds who have known each other all their lives. One very warm day while out roaming through the local countryside and woods, not far from home, they're suddenly surprised when they spot a naturist rambler. Having never seen anyone walk about like this before their curiosity gets the better of them and they decide to follow him. It leads to them finding out about a naturist swim at their own local leisure centre and, after deducing what the word 'naturist' means, want to find a way of getting in to see for themselves what's going on. However, this is far from straightforward and, as you might guess, they're both very reserved boys. They manage to get in without being seen, but how? Who do they meet? Do they make any friends, and what's more; do they get away with it? What will their parents say if they find out? Read the full story and discover the delights of naturism for yourself.
