

Reformation England 1480-1642 - Peter Marshall

[DOWNLOAD HERE](#)

Reformation England 1480-1642 provides a clear and accessible narrative account of the English Reformation, explaining how historical interpretations of its major themes have changed and developed over the past few decades, where they currently stand - and where they seem likely to go. A great deal of interesting and important new work on the English Reformation has appeared recently, such as lively debates on Queen Marys role, work on the divisive character of Puritanism, and studies on music and its part in the Reformation. The spate of new material indicates the importance and vibrancy of the topic, and also of the continued need for students and lecturers to have some means of orientating themselves among its thickets and by-ways. This revised edition takes into account new contributions to the subject and offers the authors expert judgment on their meaning and significance. Author: Marshall, Peter
Publisher: Bloomsbury Academic Illustration: N Language: ENG Title: Reformation England 1480-1642
Pages: 00256 (Encrypted PDF) On Sale: 2012-02-02 SKU-13/ISBN: 9780340706244 Category: History : Europe - Great Britain - General
