Sales Letter Creator - Build Your Direct Sales Website The Easy Way Who Else Dread's The Thought Of Trying To Painfully Write Their Own Direct Response Sales Letter? Now You Can Build Your Website And Write Your Sales Letter The Easy Way! I hate writing sales letters and building websites too! That's why I created Sales Letter Creator... It built the very website that you are looking at right now! Dear Friend, If you are at all like me you absolutely dread the thought of writing a sales letter, or building a website to sell your product on the Internet. The problem is though without a website and a killer sales letter to go with it you are dead in the water, and I mean that literally! The Solution To Your Problem... Sales Letter Creator! This incredible software not only guides you step by step as you carefully craft your sales letter. It practically writes it for you! Not only does it totally format your sales letter for you just as the sales letter here is formatted it also builds your sales page website for you! Who would have ever thought getting your product online would be this easy! I used to stay up until the wee hours of the morning banging away on my keyboard trying to write my own sales letters. I'll tell you even when I would get close to making it sound decent I would have a problem with creating a table, or when I went to make my headline BOLD the next thing you know the whole darn sales letter was bold!..... UGHHH I was frustrated and I had had enough! That's when I had my friend Jeff build me this neat little software called "Sales Letter Creator" the very same software you are reading about right now... and the very same software that built the webpage you are looking at right now! Step By Step Process - "Sales Letter Creator" walks you through a simple step by step process, and all you do is fill in the blanks! It Builds The Web Page For You! - This incredible software builds your webpage for you... You just enter your text in the boxes that it

tells you and click build! Its that simple... Its Easy To Use! - "Sales Letter Creator" is so easy to use my 8 year old daughter has successfully turned out 4 sales letter with it! She used it to build a sales letter's to sell some of her old toys on eBay! Just Fill In The Blanks! - All you have to do is go through each step and add a bit of text to the empty boxes! Sure it will take a run or two to get it down, but you will be a sales letter writing pro in no time flat, I promise you! Create Your Own Templates! - I say starting from scratch every time is for the birds! Just hit the save button to save your template, then on your next sales letter load it up again into the software and only change the product details! Most of the rest of it can stay the same! It's FAST - "Sales Letter Creator" Is so fast in fact, that it only took me about 20 minutes to create the sales letter you are reading right now! Sure there was still a little work to do. I did have to fill in the blanks but that sure as heck beats the hell out of banging away at my keyboard for hours on end, trying to figure out the HTML to format my page. HTMWHAT, that's what I say, let "Sales Letter Creator" worry about that for you! If you are sick of struggling to figure out how to build a direct sale website.... And.... if you are sick of staying up late at night when the rest of your family is cozy in bed sleeping, while your up banging your head against your computer monitor trying to figure out how to get an attractive and selling website of your own online.... Then "Sales Letter Creator" is just what you need! Now you can literally just fill in a few blanks and out pops your completed sales letter! Just upload and you are in business! If you know nothing about web design or HTML that's ok! This software handles all that technical stuff for you! When you order today you will be downloading the "Sales Letter Creator" software immediately! You will be cranking our your own direct response websites, sales letter and all with in the next 15 minutes! Everything you need to get started right away is included in one simple download.
