The Art of Argument guides readers through the process of developing, defending and presenting a compelling argument.The Art of Argument guides readers through the process of developing, defending and presenting a compelling argument. Primarily aimed at students who are about to undertake or participate in an international mooting competition, The Art of Argument explains in a step-by-step process what to do when you first get the moot problem, how to begin researching the subject matter, the emotional highs and lows, why practice makes perfect, how to handle yourself at the competition, and most importantly to have fun. Through the process of mooting you learn how to construct analytical arguments, to present your point logically and soundly and to consider and address the queries and concerns of your opponent and the Moot Master. For a law student there is no greater skill than constructing a logical and compelling argument.
