The hottest, freshest lesbian erotica of the year..."These stories will make you want to call your girl in the middle of the afternoon and tell her things that make her squirm. Girlsex will flash in your brain like neon in the elevator, subway, traffic jam, sidewalk crowded with people. Read these stories and you'll be swimming in the juice of your erotic need. Your desire will become irresistible, like a force of nature pushing you beyond reason." Felice Newman"For me, the best erotic stories closely resemble the people who make my skin flush hot pink and send my head into overdrive. They're fiercely intelligent, confident and intricate. They can sweep me off my feet or catch me off guard. They are tender and nasty and just a little bit dangerous. They are not always what you expect them to be." Tristan Taormino, series editor
