

Electric Passenger Train Arrives And Departs Station Sfx

[DOWNLOAD HERE](#)

This stereo 1'15" file was recorded on an outside train station platform. You can clearly hear announcer, the train arriving, waiting, and departing. There is also a small amount of passenger chatter. Also see our file on sale 'Fast Electric Passenger Train Pass'. All files on sale by Sevenleaf SFX have been recorded by professionals and are available for you to download as 16 bit 48kHz stereo wav files. Previews are low quality mp3 files with security watermark beeps. Purchased files are broadcast quality wavs without watermarking.
