'Down to Earth' by Elizabeth Coldwell When Ryan's life comes crashing down, can the hottest nurse he's ever met help put it back together again? It started out the happiest day of Ryan Johnson's life. At breakfast, his long-time boyfriend Craig accepted his proposal that they enter a civil partnership, and in the afternoon he's making a parachute jump-a surprise organised by his new fiancée. But when his chute fails to open, experienced skydiver Ryan finds himself in the hospital, in traction and not going anywhere for a while...and everything starts to fall apart. High-maintenance Craig doesn't seem to want to be there for him anymore, but down-to-earth Luke-the hottest male nurse Ryan has ever seen-is determined to help him make a full recovery...and maybe even win his heart in the process... 'Please, Doctor' by Serena Yates Patrick McNeill is obsessed with doctors. A serious-looking man in a white coat gets him hot enough to do...anything to please the physician. Doctor Russell Walters is a successful emergency physician at the Royal Winkham Hospital during the day...and an occasional expert for a medical fetish club at night. He's only doing his best friend and club owner a favour-until he sees Patrick walk into their pretend clinic. The gorgeous brunet who casts shy glances at him inspires Russell to put his best bedside manner forward. Suddenly he is the one who wants to play doctor! The 'medical examination' that follows is definitely not authentic-but who cares when both participants find more satisfaction in one another's arms than either thought possible... Reader Advisory: This book may be hazardous to your health! Do not read if allergic to any of the following: unauthorized use of medical equipment, misappropriated procedures, or a significant dose of kinky sex between an extremely hot physician and his very eager patient. 'Roley's Wood' by A.J. Llewellyn When Dr Jack Hanrahan set out for a much needed vacation, he had no idea his life would forever change on a remote biking trail in Roley's Wood... Jack Hanrahan is a California surgeon taking a brief cycling vacation with friends in Edinburgh, Scotland. A woman's scream shatters his peaceful ride in the recently cleaned up Roley's Wood. He and his best friend, Paul, a heart surgeon, race towards the sound. They find a woman lying on the ground, clinging to life, an arrow sticking out of her body. Jack and Paul have no way of knowing that she disappeared weeks ago and has been the subject of a huge manhunt. They try to help her, working on

her frantically until they are able to call for help but by the time they reach the hospital, it's too late. In the confusion, they realise whoever fired at her must have been an onlooker because the arrow Paul took out of the victim is missing. How could they have not noticed the killer sneaking back to remove it? The case soon lands in the procurator fiscal's hands. Jack has never heard of this but soon finds that the man in question is the very sexy public prosecutor Brodie Shaw, who promptly asks Jack for help in the twisty mystery as they begin to fall in love with each other... 'Love Without Borders' by Sara York Work brought them to the jungle, lust brought them together. But staying together may prove too difficult a task. Jason believes the attraction he has for Doctor David Blankenship will never be more than lustful dreams until David shows up at the firehouse, asking Jason to travel to Guatemala with him for a charity trip. Excited that they'll be working together, Jason is ultimately disappointed because their schedules are too hectic for them to even speak to each other. Then magic happens when David seeks out Jason on the third night in the jungle giving both of them a taste of paradise. With the ice broken, David plans some time alone. But David's ex wants to derail Jason and David's relationship. Insecurities eat away at Jason, leaving their relationship hanging in the baAuthor: Coldwell, Elizabeth Publisher: Total-E-Bound Publishing Illustration: N Language: ENG Title: Emergency Servicing Pages: 00000 (Encrypted EPUB) On Sale: 2013-03-04 SKU-13/ISBN: 9781781842317 Category: Fiction : Science Fiction - Military Category: Fiction : War & Military Category: Fiction : Erotica - General
