

Mp3 Austn - Cy_ber_rock

[DOWNLOAD HERE](#)

CY_BER_ROCK psychedelic alternative/Ndie rock, using sythns, EffectZ, Pads.displaying a high NRG power sound using thought provoking lyriX full of meaningful revalations. 13 MP3 Songs POP: Today's Top 40, ROCK: Psychedelic Details: CY_BER_ROCK Computer Nhanced/FX produced songs with streamlined vocals using mind expanding lyrics... entertaining listeners 2 a new level of rock apreciation.... Hi I'm Austn, a Alternative/Ndie music artist that has often been accused of sprinkling Bowie's Ziggy stardust over Beatles tracks that were run thru a U2 synthensizer while adding a little Dave Matthews on top for spicyness...(ie...Zappa, Tubes, Doors, Bowie etc...) Or as one of my fans e-mailed me, " 60's psychedelic rock with a modern, new age, cutting edge synthesized sound , laiden with thought provoking lyriX..." I'm a Solo-Artist from the Seattle area, born-n-raised N Kansas-Colorado, I grew up as a teenager N Bothell, just north of the Seattle area N the Great Pacific Northwest. I'm a songwriter/producer/ performer who has played with/N many bands previously- Oz, Emotion, Dave and the Waves. The guitar has always been my main instrument but I play anything I don't have to blow into and enjoy experimenting with sounds, ideas, and waves. These are works from the CDs- "GREY","FACE THE MUSIC","PSOARIASIS" and my just released "CY_BER_ROCK" ... Reviews for songs are available here, downloads R available at i-tunes, mp3tunes, MSN, yahoo, AOL, and all the usual outlets...Please enjoy my CD's and feel free 2 critique and/or comment on these works to any of my e-mails, as I need any and all of your thoughts, suggestions, and vibes! All instruments, sythns, waves, and vocals are AUSTN. copyright-Feb 2007 AUSTN enterprises,inc...
