Original worship music with a simple, powerful message. 11 MP3 Songs GOSPEL: Contemporary Gospel, COUNTRY: Modern Country Details: Brandon Gwinn is a worship leader in Lubbock, TX. He has been serving both in Lubbock and San Antonio for the past 7 years. Hearing God's call to worship ministry at an early age, Brandon is seeing his calling coming to reality with his first album, "All Our Praise". This album is Brandon's original worship music with a clear, inspirational message. Due to the laid-back style of the album, "All Our Praise" has reached a wide range of age groups as well as denominations. Each of the songs were birthed out of personal experiences, and each word was written by the leading of the Holy Spirit. As a result, the raw emotion of the lyrics and message strike a chord with most listeners. Brandon also performs at the well-known Cactus Theater in Lubbock on a regular basis. Over the past 2 years, he has performed in a variety of themed vocal shows, gospel shows, and musicals.
