

Mp3 Brenda David - Scratch

[DOWNLOAD HERE](#)

An eclectic mix of pop rock, blues, and urban country with emotional, thought provoking lyrics and unique musical composition. 9 MP3 Songs POP: Today's Top 40, ROCK: Folk Rock Details: On her new album "Scratch", Brenda David sings songs about relationships - with family, friends and lovers - in a voice that at times soars with joy, at others wallows in pain. (Florida Times Union) As an award winning songwriter, Brenda connects with her audience on an intimate level. Her unique style incorporates an eclectic mix of music genres such as pop, rock, blues and country, that come together in a remarkably cohesive sound. With a deep well of talent and a winning stage persona, she has some fiercely original ideas and a unique approach to her musical composition. (First Coast Entertainer) This all original debut CD is sure to become one of your instant favorites.
