[DOWNLOAD HERE](#)

A little Bobbie Gentry and little Kelly Willis, alt-country and Americana. 13 MP3 Songs COUNTRY: Alt-Country, COUNTRY: Americana Details: An independent artist in the truest sense of the word, Casey Kessel may call Nashville her home, but she writes and performs country music on her own terms and at her own expense. Capturing the details of life in powerfully touching songs, Kessel's talents may only currently find their way to public ears in the mouths of others, but odds are that situation won't last long (Roger Holland, PopMatters)
