

Mp3 David Anthony - The Other Side Of The Black Hills

[DOWNLOAD HERE](#)

Recorded on a Deadwood, South Dakota, turn of the century Upright Grand, David Anthony captured the feeling of 1890 Deadwood with his original translation of Rag Time, Honky Tonk, Boogie Woogie, and Road House Blues. 12 MP3 Songs BLUES: Piano Blues, JAZZ: Ragtime Details: David Anthony recorded all 12 tracs on a genuine, Deadwood, SD Upright Grand Piano. The sound quaility captured the 1890 feel perfectly. David is known for his peaceful and relaxing music, but this New cd is not that! "The Other Side of The Black Hills" is actually the other side of David Anthony. It is David Anthony reinvented. It is music that has his obvious signature of originality, but takes you back to a very enjoyable style of the 1890 Deadwood Era. (Are you listening Kevin Kosner?)
