

## Mp3 Joe Crone - On The Island

[DOWNLOAD HERE](#)

Joe Crone's mellow voice and intelligent and heart felt lyrics take the listener on a journey ranging from global issues to island life to love. 15 MP3 Songs EASY LISTENING: Adult contemporary, FOLK: Progressive Folk Details: Joe Crone is a singer, songwriter, dramatist and educator. His evenings are spent sharing his songs with friends at pubs, coffeehouses and festivals. In the day, he spends his time with his company, "Educationlive", visiting schools for workshops and performing in concerts. When he is not busy doing this, he works with The Royal Conservatory of Music and their "Learning Through the Arts" program."On the Island" is his first CD for the adult listener. It focuses on the 3 years he spent living on the Pacific Island of Saipan, and takes the listener on a journey that touches on global issues like 9/11 to love to island life.
