Talented singer/songwriter Kathy Forste's personal journey of life, loss, grief and healing through honest heartfelt lyrics and melodies in a well produced acoustic rock style. 11 MP3 Songs FOLK: Modern Folk, ROCK: Acoustic Details: Most of the songs on "Home Fires" have been written over the course of the last year. This CD is a very personal project for me stemming from the loss of my mother after her three year battle with cancer. It has become a catalyst for healing, not only the loss of my mother, but for all the the losses I've experience in my life. I share this CD with you as a personal catharsis for me but also in hope that it can mean something to you and help you with your own personal journey with life and loss. If not, then it's got a good beat and easy to dance to.
