The early days were performances at Air Force band concerts and church functions. Some of us went on to perform in elite high school and university performance groups. More recently, Julie, Jenny and Karen have been invited to sing at Carnegie Hall. What a dream-come-true for us to be able to record together. Many thanks are in order. We're grateful to our families (particularly our husbands) for their support at every stage of this project. We thank our parents, Benny and Willa Knudsen, for their tremendous sacrifices in raising us, for their unreasonable support of this project, and for instilling in us a love of music. (While we're here, please accept our apologies for our collective teenage years). Most especially we thank our Heavenly Father for the gift of His Son. Everything changed with the birth of the Babe from Bethlehem. How we love Him. How grateful we are for Him. Our hope is that our music might bring you closer to each other and closer to Him this season. Merry Christmas to you. Visit our website [KnudsenSisters](#) for bios, upcoming concerts and events.
