Four great country songs (including Ridin' in a Rocket and title track especially for NASCAR fans), all very uptempo with super guitar work. 4 MP3 Songs in this album (16:26) ! Related styles: COUNTRY: Country Rock, BLUES: Slide Guitar Blues People who are interested in Travis Tritt Marty Stuart should consider this download. Details: This country rock CD contains two songs based on a love of NASCAR racing, a blues, and a song to which young people and their parents may relate readily. Kyle Stewart has been performing and recording music all his life, and is making his country debut here. He sings with great attitude in Ridin' in a Rocket, he's romantic in Back in Bristol, and he's very funny in Runnin' Me Outta Town Blues. He's got a strong, beautifully perfect voice for these songs! Ladies, especially, should really like the voice, and Gentlemen, especially, the stories should be fun for you! All songs were composed by Nancy Erwin, who has been a big NASCAR fan for a long time. The CD began as a single song, Back in Bristol. During a motorcycle trip more than twenty years ago to Bristol TN and Staunton, VA, a man in a blue shirt waved at Nancy as she rode on the back of a big bike...and eventually, all that became the title track. It really does make sense, when you know the story! So..load these up, and let Kyle sing for you! It would be especially wonderful to see people dancing to these tunes at their tailgate parties at all those great race tracks! Mainly, just enjoy the music!!
