

## Mp3 Leper's Pen - October's Colour

[DOWNLOAD HERE](#)

Melodic, alternative rock and roll steeped in the Classic rock of the 70's with an electrified sound. 11 MP3 Songs ROCK: Instrumental Rock, ROCK: Classic Rock Details: This CD finds singer/songwriter Bill "The Thrill" Galetka writing about his favorite time of year, autumn. A nice collection of tunes influenced by that wonderful time of year. This CD was originally released in 1997 on cassette only. It has now been re-mastered and released for the first time on CD. The Cd features all new artwork, interior photos, and printed lyrics. Be sure to check out the hit songs "Reasons" and "Untouched And Alive." The song "Untouched And Alive" was inspired by the Dean Koontz novel, "Intensity"!! Influenced by a wide range of bands that span from U2, Counting Crows, and The Goo Goo Dolls, to song writers such as Dave Matthews and Chris Whitley, songs from Leper's Pen tell stories drawn from true life experiences that we all can relate to. Be sure to check out other Leper's Pen releases and follow along on this songwriter's journey through the experiences of life.
