I was born and raised in Macon, Georgia, the spring board for the careers of Otis Redding, Little Richard and James Brown. The music of my generation has a mix of soul and reaction to change and a dream of vision. I love ladies and I love making music that make ladies feel special. Romancing a lady is a good thing. R&B music is a good thing. I wrote and arranged all songs on this CD. My 15 year old son plays the saxophone on this CD. I play all other instrument parts and performed all vocals. While I have the skills, I want to show to the world the talents that God has allowed me and I want to do so with heart. I want to demonstrate to the world the good beacon that would only lead to good thoughts and good relationships. For Booking Contact: leroyacemiller@aol.com I hope that you enjoy my music. Love Always, Ace
