These are songs that have a late 60's early 70's flavor to them. This is the kind of music that will have you humming them all day long. They are songs that you can sing in the car, shower or any place you like. 11 MP3 Songs POP: 70's Pop, ROCK: 60's Rock Details: This is the second album released by McKenzie Creek Band and it's a great one. The music is strong and the lyrics are great. If you've ever lost a love or found a love or don't care if you ever find love again then listen to this one. Dave McKenzie, who is the writer of the all the songs on this album, has really done well on this one. On this album there is every thing. From the rocking "Stronger" to the blue grass feel of "Tell Me You Love Me", featuring the alter ego band, The Moonshine Hollow Boys, there is something for everyone, and one thing is sure, you'll have a good time singing with these songs. So turn it up to 11 and enjoy!
