Get ready for an in-your-face fusion of metal, punk, and thrash music. This record is lightning in a bottle...heavy metal thunder. 9 MP3 Songs METAL: Heavy Metal, ROCK: Modern Rock Details: "This band has a firm handle on what rip roarin' rock is all about. Heavy to the core, Mother Leeds boasts a singer whose phrasing screams are right on the money and a lead guitarist that dazzles!" -Evidence Recording Artist/Songwriter Essra Mohawk "Mother Leeds has a phenom vocalist and musicians to die for. They are a serious heavy metal band that has a real shot at a major label signing. If you are looking for a 747 jumbo jet to fly through your heart, Mother Leeds is that band." -Legends Hall of Fame Producer Robert Metzgar Mother Leeds has recieved critical acclaim both online and off. On May 12, 2004, The Aquarian Weekly featured Mother Leeds on page 4, the "Spotlight On: 4 Scores for the Week" section. The article was titled Follow Their Leed. Here's what Wes Soriano had to say: "From the hallowed grounds of the Jersey Shore comes a force that can crush mortal men if they underestimate it...Run for your lives, it's Mother Leeds!" -The Aquarian Weekly 5/12/04 On 2/20/04 Mother Leeds was featured as the cover story in The Daily Record newspaper: "On a recent Friday (at Obsessions in Randolph, NJ) Mother Leeds cast a metallic spell on both patrons and staff.... Fueled by Storm's internal angst, Mother Leeds delivers a hard-core, soul-jolting show, bound to leave its listeners contemplating their own inner demons." Frontman Jimi Storm's vocals are electrifying. And he's backed by guitarist John Lazaro's innovative guitar. Mother Leeds is the band of the millenium! New Jersey shore's hottest band Mother Leeds has just released their debut album- and it's worth every penny! Storm is original and the album has a little bit of everything for all heavy metal listeners. If you've been to the boardwalk in Seaside Heights, NJ this summer then you've probably heard one of their singles "Mona Lisa" which definitely keeps the club hoppers dancing. Ever heard about the Jersey Devil? Then you must hear "The Mother

Leeds Song". Also, their hard driven song "I Love You Dead" is a favorite among the hard core fans who've heard it. Storm is taking no prisoners on this album. If you hate all that bubblegum music on the radio then this is definitely the record for you. For more info on Mother Leeds visit WWW.MOTHERLEEDS.COM
