Pisidia's music runs the gamut from hard driven dance numbers to ones that give the soul wing. The heart of the artist is truly found in the love for the music he performs. A myriad emotions, touched with sensuality, make the music he writes a draw for anyone who loves music. Its SIMPLE..."

***** I'm trapped in logic gates and fences, In need of Release to still my senses... I'm bound by bits and it bytes to be here. To miss you now is to be blind, To search for things i'd never find... So I give to you my every little all, To answer this moment, your beckoning call. I'd live out my dreams with love and cheer, With the strength of courage to still my fear... I'd give in and bid my longing farewell. Without the clutter, it's Simple...
