Modern jazz mixed with traditional background 6 MP3 Songs JAZZ: Traditional Jazz Combo, JAZZ: Latin Jazz Details: Joe and Lou Natale formed Project Natale in 1990 and have been faithfully performing traditional jazz songs ranging from popular favorites such as; "The Very Thought of You" and "Somewhere Over the Rainbow," to playing their own original compositions such as; "Pyramids and Palms" and "I Get Bluesy." Project Natale delivers a smooth, mature style of music to their audiences, successfully combining sounds derived from the deep, moody tones of Joseph's upright bass, blended with the bright, toe-tapping sounds of Lou's drumming. Their "softer" melodies are serene in the sense that they encourage the mind to ponder lost thoughts, while their "up-tempo" compositions are more than inspiring to bring out the dancer in any listener.
